**If you smell propane, close the main gas supply on your tank, then call us immediately!**

**This photo shows what that valve typically looks like. We will send a service tech to check for a leak.**

### **Budget Pay Program**

***Our budget program is called Equal Payment Plan (EPP). This is a great way to help you save money & budget for your gas utility.***

- Your yearly usage will be evaluated and a monthly payment will be determined.
- Your payment will be automatically withdrawn from your checking account by Electronic Funds Transfer (EFT) on the date you choose.
- You will automatically be put on a route which will save 10 cents per gallon and eliminate outages & low propane levels.

***The first payment needs to start in April, so please let us know if you'd like to be evaluated for the EPP by March 15th. Visit our website to see a sample contract.***

## **Employee Spotlight**

**Whitey Turner** joined MWP in the fall of 2015 as a propane transport driver. Whitey lives in Tridell with his wife Shelly. They have 2 children, Alyssa & Natalie. He is a recent empty-nester so he's not sure what to do with his spare time yet. Whitey has 20 years of truck driving experience. He is fun to work with and we love having him on our team here at MWP.
